State of the infrastructure

CLARIN Annual Conference 2017, Budapest

19 September 2017

NCF composition

- No new members since last conference
- One new observer: France (from February 1, 2017)
National coordinator in NCF: Nicolas Larrousse
- Chair: Koenraad De Smedt
- Vice-chair: Jan Odijk

NCF workplan 2017

- User involvement
- Data management plans
- Quality and interoperability assessment
- CLARIN agreements
- CLARIN work plan and budget
- Interaction with BoD and committees
- Common theming
- Federated Content Search
- Annual Conference programme
- Steven Krauwer Awards

Regular NCF communication

- Monthly online meetings
- Three face-to-face meetings
- Monthly reports from national coordinators
- Monthly reports by the BoD to the NCF
- ERIC newsletter
- National dissemination channels

Cooperation between national consortia

- Workshops: focus on integration, interoperability and common development of the infrastructure
- Mobility actions for common development and sharing of knowledge and skills
 1. Multilingual corpus annotation tools: development and integration
 2. Towards Interoperability of Lexico-Semantic Resources
 3. Oral History Transcription Chain
 4. CLARIN DSpace digital repositories

NCF Prospects

- Continue work according to workplan, focus on quality, interoperability and integration
- More face-to-face meetings
- Work at level of strategic planning and coordination
- Include operation of infrastructure, not just construction
