CLARIN

Coverage

Goal: 20 members in 5 years

Assessment:

19 members – same as in 2016

AT, BG, CZ, DE, DK, DLU, EE, FI, GR, HU, IT, LT, LV, NL, NO, PL, PT, SE, SI.

2 observers: UK, **FR**

Third party agreement with **CMU**, USA

More countries are preparing to join, more institutions are preparing third party agreement

Legal issues

Goal: all new material developed will be made available under the standard license template and all legacy material will be provided with proper, complete and consistent licenses. AA system fully operational in all launching member countries

Assessment:

- CLARIN license standards, as well as list of other recommended licenses. Most is provided with proper, complete and consistent licenses (no changes)

- Authentication: Service provider federation: **All members, observers and third parties now included, FR, GR, HU, LT, PT, CMU added** (**22**, in 2016: 14)

Preservation

<u>Goal</u>: all data and tools from publicly funded projects can be deposited in CLARIN centres. Funding agencies to require such deposition.

<u>Assessment:</u>

AT, CZ, DE, DK, EE, FI, **FR**, GR, NL, NO, PL, SI, UK, **CMU** offer recognised depositing services. Other solutions for the missing countries, so in all member countries data can be deposited.

Recent developments show considerable focus on data management and also a clear focus on archiving research data. CLARIN ERIC will continue its efforts and will actively participate in European and global research data management initiatives.

Ease of Access

Goal: portal, awareness actions, 5 centres of expertise, first curriculum plans

Assessment:

Portal: implemented, **improved**

National awareness: OK in most countries

Training courses: OK, developing well, good coverage, in particular **at the national level**. Joint **course registry** with DARIAH

Help desk and FAQ: Updated at clarin.eu, and in most countries. All national websites have at least a contact point.

Centres of expertise (Knowledge centres): **8** acknowledged (6 in 2016).

5 mobility grants given out in the past year

Crossing borders

Goal: inter RI collaboration, collaboration with libraries, international coll., academia-industry

Assessment:

EUDAT (second project), likely to **continue with new project**

PARTHENOS (RI collaboration), MoU with META-NET

EOSC 2018-2020

Libraries: national level (NO, NL, DK, AT, SW, DE), **third** project with Europeana, **Europeana metadata in VLO**, **MoU with LIBER**

RDA, **ISO**

CMU is third party

Academia-industry: Language Technology Observatory project with industrial partners.

Sustainability

Goal: sustainability strategy document, success measures

Assessment:

Sustainability is now part of the CLARIN-PLUS project

- **Revision of statutes** to be presented to GA Nov. 2017
- Report to the EC on sustainability underway (2017)
- Value proposition in **public-friendly version**

Measures: We measure here progress wrt the Strategy Plan. **List of KPIs** has been developed in CLARIN-PLUS. Selection of the most important KPIs underway.
