- [Annotate](https://lindat.mff.cuni.cz/repository/xmlui/handle/20.500.12800/1-4740)
- [Coreference in Universal Dependencies 1.0 (CorefUD 1.0)](https://lindat.mff.cuni.cz/repository/xmlui/handle/11234/1-4698)
Planned features

- Declarative integration (data attributes; no javascript code needed)
- **Optional** programmatic control (add to queue, clear queue, submit)
- **Optional** customisation via
  - configuration object (and/or data attributes)
  - CSS
- Free from external dependencies (include one .js reference, no clashing dependencies)
- Hosted by CLARIN, very low maintenance

Coming soon!™
