

CLARIN

Common Language Resources and Technology Infrastructure

CLARIN Plus Work Package 4: Infrastructure Partnerships

Erhard Hinrichs

Eberhard Karls University Tübingen

CLARIN ERIC director

Erhard.Hinrichs@uni-tuebingen.de

CLARIN Plus Kick-off Meeting, Utrecht

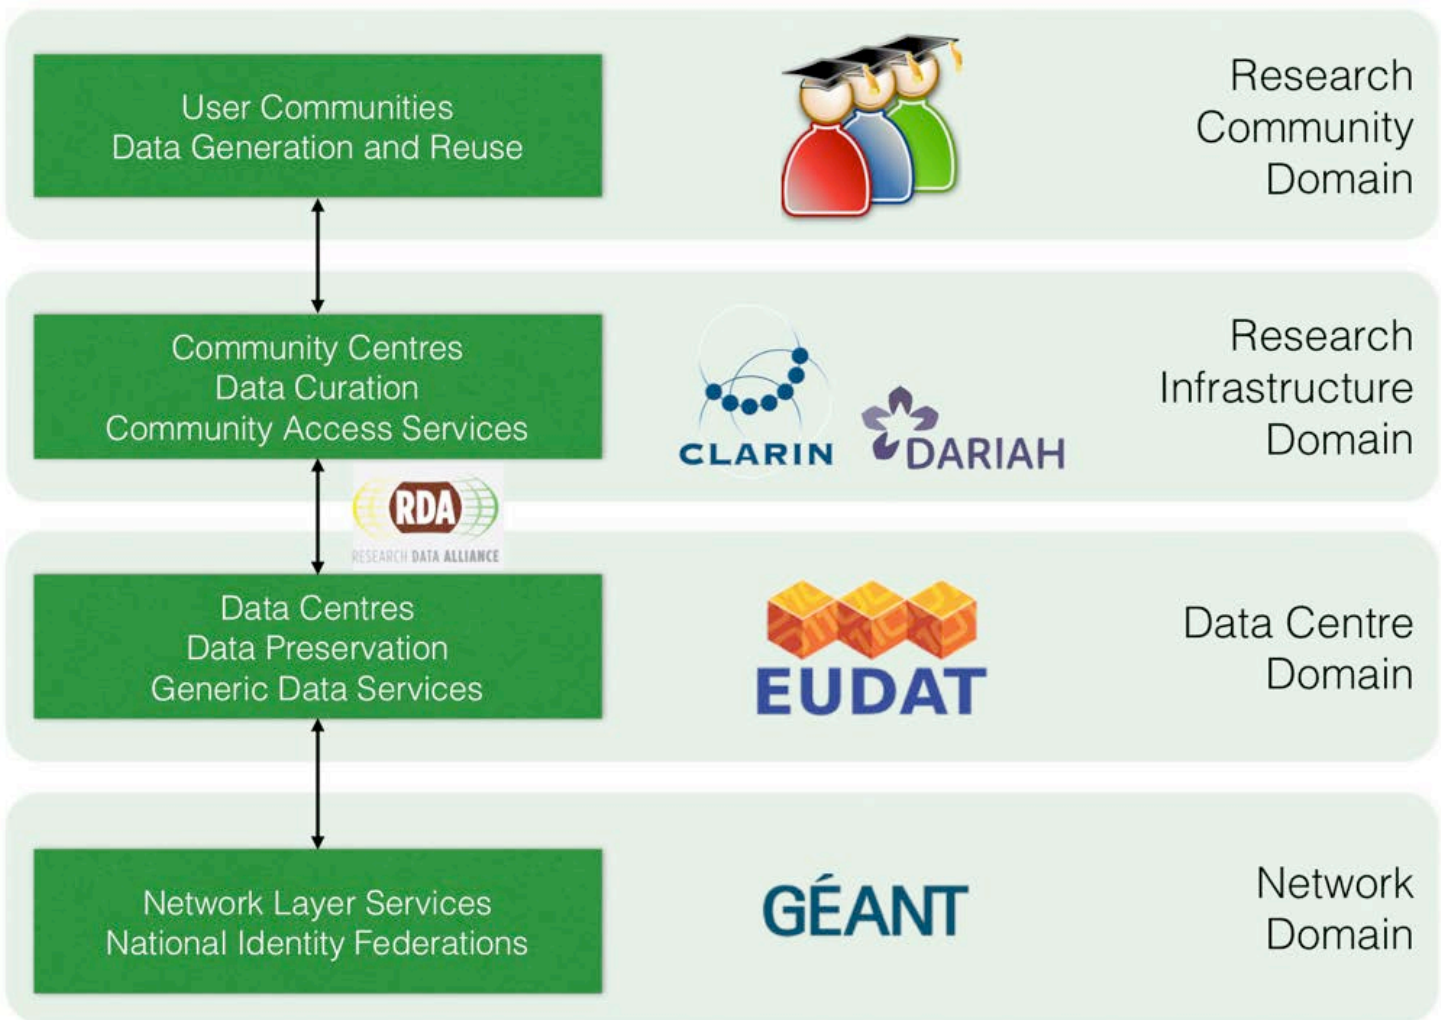

2015-09-09

WP4 Objectives

- To strengthen the ties with other research infrastructure initiatives, inside and outside the EU
- To obtain a higher level of synergy, by re-using other infrastructural services within CLARIN and promoting the usage of CLARIN services in different contexts
- To enhance the visibility of CLARIN's infrastructure, paving the way for future collaborations and eventually the growth of CLARIN ERIC member base
- To provide more and better services to the CLARIN user community

Layers of Partnerships

WP4 Tasks and Deliverables

- T 4.1: Coordination with Other Infrastructures (EUDAT, RDA, GÉANT, DARIAH, EUROPEANA)
 - Deliverable: Report on Risk Management for eInfrastructures
Due Date: M6
- T 4.2: Implementation of Joint Services
 - Deliverable: Report on Joint Infrastructure Services
Due Date: M18
