CLARIN K-centre Workshop

1 December 2020

K-centres are part of the CLARIN Value Proposition ([link](#)).

What do they get in return?

- How does CLARIN support K-centres?
 - Recognition
 - Network potential
 - Visibility: website, Tour de CLARIN, CLARIN Café series, showcases, newsflash
 - Funding
 - Consultation hours
- What more do K-centres expect from CLARIN?
- Service against a fee?
 - Service offer to fit the Open Science framework
 - Overhead involved in fee models
- What would K-centres expect from other K-centres?
 - Collaboration on funding applications
 - Other?
