Clarin and Libraries

- Workshop in May
  - Variety of initiatives and ideas, tools and projects
  - The knowledge about it is valuable

- Library is not library
Clarin and Libraries

- Collections of Libraries
  - unstructured, big, using not easy
    - Need research-driven structuring and indexing
    - crosslinking collection
  - legal and ethical restrictions
    - Changes require the European level
Clarin and Libraries

- Conference of European National Librarians (CENL)
  - network of 46 national libraries in 45 European countries
  - Executive Committee:
    - Go for a „Dialog Forum“ with CLARIN and DARIAH-EU

- Have a look at the activities in context of:
  - International Federation of Library Associations and Institutions (IFLA)
  - Europe’s research library community (LIBER)
  - Consortium of European Research Libraries (CERL)
