What Do We Do with Multiple „Standardizations“
In connection with agenda item 40, I would like to remind the members of the General Assembly that, pursuant to General Assembly resolution 58/316 of 1 July 2004, the Assembly, on the recommendation of the General Committee, decided at its 2nd plenary meeting, on 19 September 2004, to consider item 40 in its entirety in plenary, on the understanding that the administrative, programme and budgetary aspects should be dealt with together.

At the same meeting, the Assembly took note of the clarification that, in implementing resolution 58/316 to consider item 40 in its entirety in plenary, the Resolution on the United Nations Conference on Disarmament (resolution 58/195) would be considered.
