CLARIN PLUS workshop Working with Parliamentary Records.  
Sofia 28 March 2017

# Structure presentation

- \* Introduction
- \* COST proposal
- \* Discussion
- \* Follow up

## Goals COST Proposal:

### Establishment of a European Network

Coordinate the discussions needed to plan a state-of-the-art digital, sustainable, platform within which to collect, analyse and visualise a pan-European pool of parliamentary records and to experiment with the potential of such a system to facilitate new forms of scholarly collaboration and to communicate the results of that collaboration to the general public.

# Issues for discussion:

- \* Ownership
- \* Language
- \* Dynamic or static?
- \* Sustainable

# Follow up

- \* Partners
- \* Research
- \* Alternatives
- \* CLARIN
- \* Other suggestions

Thank you !
